

Washington University Volleyball Camps Parking, Drop-off and Pick-up Map

Because of extensive construction in the area, we have designated a certain area for parking and a certain area for drop-off and pick-up of campers in order to make the process as easy and safe as possible. We ask that you use the parking garage located off of **Forest Park Parkway and Throop Rd.** for all of your parking needs. This is on the north side of the athletic complex and accessible only from Forest Park Parkway. Pull into the garage, go to the top level, and park in one of the many places available. A short walk to the front doors of the complex is reached from the upper level of the garage. A stairwell is conveniently located at each end and in the middle of the garage. Camp personnel will be available to assist you in the drop-off and pick-up of your child. When exiting the parking garage you will have to go east (turn right) on **SNOW WAY** and exit onto **Forest Park Parkway**.

If you plan on visiting the camp outside the arrival and departure times, please park in the **SNOW WAY** garage as described above. A special camp parking pass will be needed during the week and is available from the receptionist in the Athletic Complex for a cost of \$5 for the week.
